

LOCAL AND PERSONAL

TRADES DAY BRINGS CROWD.

The usual large crowd attended the awarding of premiums at the Trades Day Wednesday of this week. The usual good spirits prevailed and the winners were well pleased.

The first prize, a dairy cow, went to Robert Breiten of Dunlay.

Mrs. Otto Lindeberg of Quihi won second and secured a valuable Duror-Jersey gilt.

The pen of chickens as third prize went to Pete Morales of Hondo.

Nuel Woods of Hondo won fourth prize, \$10.00, while fifth and sixth, each \$5.00 went to Miss Ida Mae Saathoff of Quihi and Mrs. J. M. Tyra of Tarpley respectively.

Hondo merchants have plenty more tickets. Call for them with your purchases, tell your neighbors about them and come to the next event, Wednesday, March 11th.

The executive committee of the Medina County Interscholastic League has called the Medina County meet to convene at Hondo, March 27 and 28. An elaborate literary program has been arranged for the first day with Miss Williams of Natalia as director. Practically all the larger schools have entered the contests. The field events and track contests will take place on the second day at the Medina County Fair Grounds. Superintendent J. Gordon Barry of Hondo High School is director general.

Jos. A. Bader, the Three Point Filling Station man, was a business caller at this office yesterday. Mr. Bader says he bought and shipped a little over a thousand pelts during the fur season, but the price was disappointing. Mr. Bader has just completed a deep well at his place and is planning to put in a complete water system.

That Medina County is better off in a financial way than many less favored sections is evidenced by the fact that the county's prorata of the Will Rogers drouth relief fund—\$300.00—has been turned over to the Red Cross for distribution elsewhere, there being no cases of actual want known in the county calling for relief.

Remember we use the Nestle method for permanent hair waving and the Marinello method for scalp and facial work. They are nationally advertised and among the best on the market. Let us do your hair trimming, tinting, shampooing, finger waving, comb waving, marcelling etc., at reasonable prices. Ladies Beauty Shoppe.

Mr. Barlay Hughes, representing the Southern Gas Utilities, Inc., has been here this week assisting Mr. Warren, the local manager, in installing Rival Automatic Gas Storage water heaters. Mr. Hughes is very much pleased with Hondo and the business Hondo people are giving to his company.

Mrs. Ed Connevey, who has been ill for some time, has fully recovered and has resumed her work in shampoos and finger waving. Elsewhere in this paper, Mrs. Connevey announces her return to business, with modern and new equipment and solicits your continued patronage.

Leon Biry, son of Mr. and Mrs. Frank Biry, was operated, Monday at the Hondo Hospital, for pus around the lungs. The boy had pneumonia about a month ago and had not fully recovered, making an operation necessary. At this time he is improving and doing fine.

Prof. J. G. Barry, County Chairman of the Red Cross, authorizes us to say that any donations to drouth sufferers which the people may desire to make can be left with the Secretary, Richard J. Reilly, at the Hondo Lumber Company office.

For sale, or trade, 152-acre dairy farm, 3 miles east of Lubbock. Sixteen cows, grade A barn, separator and milker. Want a sheep ranch. W. O. Wilkison, R. 1. Lubbock, Texas.

Mr. and Mrs. H. L. Rothe and Mr. and Mrs. John Prokasy and son James, were guests of Mr. and Mrs. Felix Batot and Mrs. Alice Reinhart, Sunday afternoon.

Farms and Ranches for sale, Dr. O. B. TAYLOR, Realtor.

FAIR DIRECTORS MEET.

At a meeting of the Board of Directors of the Medina County Fair, Tuesday night, business was the election of officers and directors to serve for the ensuing year. The officers were re-elected, namely, Felix Batot, president and treasurer, Jack Lacy, vice president, and C. M. Merritt, secretary. The directors are W. M. Santiehn, LaCoste; Raymond Schuchart, Cliff; Gus Rothe, Seco; Adolph Haegelin, Live Oak; O. H. Miller, Hondo; R. C. Bless, Hondo; W. J. Nester, Hondo; V. P. King, Hondo; Ed. A. Haby, Dunlay; J. W. Robertson, Devine, and Jacob Stein, Cliff.

The number of days and the time for the 1931 Fair were not decided at this meeting, but in the meeting scheduled for next month, the dates will be determined.

BAPTIST CHURCH ANNOUNCEMENTS.

Rev. R. W. Merrill and wife moved to Hondo Tuesday and will make their home here in the future.

There will be several important announcements made at church Sunday.

The regular church schedule will be followed Sunday, February 15. Sunday School at 10:00 A. M. Morning Service at 11:00 A. M. B. Y. P. U. at 6:45. P. M. Evening Service at 7:15.

T. E. L. CLASS.

On Tuesday afternoon, at the home of Mrs. Cass Jones, with Mrs. Jones and Mrs. Herbert Hyatt acting as hostesses, the T. E. L. class of the Baptist Church was entertained.

After the business session a social hour was enjoyed. Refreshments were served to the following ladies: Mesdames Jack Fusselman, Will Crow, Joe Dillon, E. E. Cureton, I. L. Bedell, Fred Williams, W. C. Scott, W. J. Earnest, M. Mulcahy and Ed. Meister.

FOR SALE.

156 acre farm, 6 miles out on Yancey road, \$25.00 per acre. Mrs. J. H. Berry, 1031 Denver Blvd., San Antonio, Texas. 30-4tc

THE LEGISLATIVE MILL.

By Fred W. Davis

In a recent interview as published in one of our magazines, Geo. Bernard Shaw was asked if he thought conditions in England would continue to get worse or would the old Empire muddle through as usual?

Shaw replied, "It is rather late in the day to talk about England, or any other twopenny-halfpenny nationality muddling through. The question today is will civilization muddle through? If the Big Ship goes down England will go down with it. And don't forget that these Big Ships always have gone down so far."

As a reason for doubting the stability of our present civilization he made the following statement. "Every serious student of the subject knows that the stability of a civilization depends finally upon the wisdom with which it distributes its wealth and allots its burdens of labor and on the veracity of the instruction it provides for its children." It would be difficult to coin a stronger expression than this is, and in the light of it one cannot look into our future with any great degree of assurance. Civilizations are built upon individual initiative, and are destroyed by the acts of governments.

This week there was quite a discussion in the Texas Senate of a resolution asking the federal government to pay cash bonuses to our soldiers. The chief argument for the resolution was the soldiers need the money and it would start the wheels of business—the total amount is estimated at some three billion dollars. The chief argument against this resolution was, that it would demoralize the bond market for the government to borrow so much money.

Brisbane suggests the government print the money in crisp new bills, pay it to the soldiers and let them start spending it. Why borrow when we can make the money and retire the issue when it suits us. What say you?

Another resolution offered in the house by the veteran Weinert calls upon Congress to put a tax upon jute so our low grade cotton can be used for cotton bagging and outside sacking of such commercial products as require double sacking. It is estimated to exclude jute would call for the consumption of two million bales of cotton.

With a congress committed to a tariff policy one would think it would be no trouble to secure this tariff in favor of a home grown product as a covering for a home product as against a product grown in a foreign country that buys but little

WILLING WORKERS MEET.

The monthly business meeting of the Willing Workers Wesley class was held at the home of Mrs. J. G. Newton on Monday afternoon at four-thirty. The meeting was opened by singing the class song, followed by verses of scripture. It being time for the election of new officers, the following were elected: Bernice Moffield, president; Grace Mumme, vice-president; Evelyn Kimmey, secretary and treasurer; Eleanor Heyen, librarian.

The class decided to continue the work of preparing sunshine boxes each month for the sick and shut-ins. At the close of the meeting the hostess assisted by her daughter, Mrs. L. B. Murrill, served refreshments to the following members: Elizabeth Holloway, Ora Harlee, Bernice Moffield, Evelyn Kimmey, Eleanor Heyen and Grace Mumme.

SPECIAL SUNDAY LUNCH CHILDREN INVITED.

A special Sunday lunch service will be launched at the Favorite Cafe Sunday, February 15th, whereby all children will receive their lunch free. The age limit for children to benefit by these lunches are set at 10 years of age. Of course these children must be accompanied by their parents. Choice of several kinds of meats and a nice big lunch is in store for tired house wives. Forget your kitchen this coming Sunday and dine out with Stiegler. Remember he is offering to take care of the children.

FIDELIS CLASS.

The meeting of the Fidelis Class was held at the home of Mrs. Theo. Cameron, Friday afternoon with Mrs. Cameron and Mrs. F. H. Schweers as hostesses. A business session preceded the Bible study, which was conducted by Miss Bertha Newton.

A delicious salad course, angel food cake and hot tea were served to the following: Mesdames P. E. Lancaster, Tom Stanley, Lesley Holloway, Alfred Schweers, Arthur Brucks and Misses Lora King, Bertha Newton, and Willie D. Fly.

from us. But the report comes from Washington that there is little hope of our cotton farmers receiving this protection.

Speaking of the congress, does it not seem strange that citizens of this country are forced to pass a whole winter in a condition of dire want while a fuss goes on about an appropriation of a few million dollars? Remember a few million dollars is small pocket change in Washington. Our congress appropriated millions for suffering Armenians; other millions for the Belgians, and still other millions for the Russians, and these millions were appropriated at the request of the gentleman who now occupies the White House. And besides the above mentioned millions, the congress appropriated one hundred million dollars for the president to use in Europe as he saw fit, with no accounting to ever be made. Ridpath truthfully says, "Internationalism will destroy patriotism." When a person becomes internationally minded he has no home, no native land.

Apparently the president had rather the people should starve than to beg, or receive a dole as he calls it. Well, they are not exactly beggars, because there is no money in Washington but the people's money, anyway, and the people everywhere want those in distress to have the money.

The grist is still being fed into the legislative hopper here at Austin. No measures of major importance are yet coming out for debate. It will not be long now until tax bills, road bond bills, utility bills, emergency appropriations, etc., will be under discussion if committee action is not too slow. The legislative so far, is making about average speed according to one of its experienced members.

There is a bill before the house, introduced by Hon. Geo. B. Terrell, former Commissioner of Agriculture, which requires a vote of the people before county officials can contract an indebtedness against the county. Some counties have the practice of issuing script for certain public projects then under the guise of local bills get authority to convert them into bonds. Perhaps many counties have heavy bonded indebtedness and the citizens do not know it. It seems that in a certain county the people refused to vote bonds. The work was then put over by the issuance of script. Afterwards a local bill was passed which authorized the script to be refunded and forty year bonds issued. The county is now bonded though the people refused to authorize it. If you think this a bad practice for a county you had better acquaint yourself with Terrell's bill designed to correct it.

An Important Message To The Businessman

The people have money and will spend it, even for things not necessary to life, if you advertise with energy.

While some industrial presidents fill pages telling why business is bad and profits down, R. W. Woodruff, president of the Coca Cola Company, uses only 60 words in a report, telling stockholders that business is

EHME H. SCHMIDT, AGED PIONEER PASSES AWAY.

Last Friday at about 12 o'clock, Mr. Ehme H. Schmidt suddenly collapsed and died at the home of his daughter, Mrs. Dirk Lindeburg, at New Fountain at the age of 83 years, 1 month and 29 days. Having been a man of splendid health all his life time his unexpected and sudden death by heart failure came as a great surprise and shock to his family and many friends.

His burial was held Sunday afternoon from Mrs. Lindeburg's home and interment in the new Quihi cemetery. Rev. C. P. Hasskarl, pastor of the Quihi Lutheran church, of which Mr. Schmidt had been a life long and faithful member, officiating, while the Quihi Church choir sang several beautiful and very appropriate anthems. The attendance was unusually large; church members, neighbors and friends of the Quihi and adjacent communities having turned out in large numbers to pay their last tributes of love and esteem to the beloved departed pioneer and friend. Thus also a number of beautiful floral offerings testified to the high esteem in which he was held. Messrs. Willie Nietenhoefer, Christian Nietenhoefer, Alfred Schlenz, Arthur Schlenz, Fritz Martin and Andrew Oefinger acted as the pallbearers.

From the brief biography of Mr. Schmidt, as read by the officiating pastor at the grave, the following interesting data relative to his life was gathered: Mr. Schmidt was a son of Christian parents, Harm E. Schmidt and Antke Mimken Saathoff, and was born at Aurich Oldendorf, Oat Friesen, Germany, Dec. 7, 1847. Shortly after his birth he received the sacrament of holy baptism. As a child of five years he came to America with his parents and the Quihi community became his future home and field of endeavor. Here, as a lad, he was confirmed in Bethlehem Lutheran church and thus became identified with that congregation of which he remained an active and faithful member to the end of his long life. As he grew up to manhood he became a prosperous farmer and stockman. Dec. 14, 1872, he entered the bonds of holy wedlock with Miss Annie Oefinger. This happy union of fifty years was blessed with six children, all of whom survive their parents, namely: Mr. William H. Schmidt of Dunlay, Mr. Otto Schmidt and Mrs. Louis Schweers of Quihi, Mrs. Dirk Lindeburg of New Fountain, Mrs. Arnold Wurzbach of Rio Medina and Mrs. Louis Schmidt of Hondo. There also survived him six grand-children and two great-grand children and many devoted friends, especially among the older men and women with whom he shared the hardships and privations of the early pioneers of Quihi community, in which he lived until age and infirmities caused him to live the last few months of his life in turn with his several children. He was preceded in death by his devoted wife, September 11, 1922. Thus a kind husband, generous father, a good neighbor and friend, a faithful member of the church and a loyal citizen has passed away and is now numbered with the

good, profits up, both exceeding all records.

Business men with sob stories to tell will observe that Mr. Woodruff's company has been advertising more energetically than ever.

Similarly, George W. Hill, whose success as president of the American Tobacco Company, succeeding his father, has been phenomenal, makes his report of business and profits sound like his own radio song: "I'm lucky, this is my lucky day."

Only, of course, there is no luck about it.

Business and profits for his company continue to break records, and so do his advertising expenditures. "If your business is not worth advertising, advertise it for sale."

To retrench on advertising in "hard times" is false economy.

Thus observes Arthur Brisbane, the highest paid newspaper writer of the world.

Coming on down the line, may there not be a lesson in the above for the country businessman who sees trade going by his door to his city competitor?

Your advertisement in your home town paper and the imprint of your home-town job printer on your printed matter will help build up a spirit of community loyalty and increase your business and the business of your home town community.

Example is the most convincing preacher.

dead. May his memory ever abide with all who knew and esteem him. The Anvil Herald joins all who mourn the loss of this pioneer and sympathizes with his children in their sorrow.

HONDO PIONEER DIES IN HOSPITAL AT AUSTIN.

J. E. Merriman, 87, pioneer rancher of Hondo, died Wednesday afternoon in a hospital in Austin, where he had been ill for several days. He has spent most of his life in this section of Texas.

Merriman is survived by four daughters, Mrs. J. M. Fusselman, Mrs. H. H. Crow, Mrs. J. R. Clements of Hondo and Mrs. R. G. Allen of San Antonio, and two sons, H. E. Merriman of Hondo and J. F. Merriman of Cotulla.

Plans are for the funeral to be held in Hondo, but the date has not been determined as yet.—Thursday's Express.

As we go to press, arrangements are being made for the funeral this (Friday) morning.

A more extended mention will be made in our next issue.

HARDT.

Valentine C. Hardt was born July 20, 1854, at Cuero, Texas. He passed away Feb. 5, 1931, in Eagle Pass at the home of his son, John Hardt.

In early life he joined the German Methodist Church at New Fountain. Later removed his membership to the Hondo Methodist, where it remained until his death.

His wife, Mrs. Hardt, passed away just a little over 2 months before him. Mr. Hardt is survived by his four children, two sons; Lee Hardt of Bandera and John Hardt of Eagle Pass, two daughters, Mrs. Brown of San Antonio, Mrs. Ella Scheer of Denver, several grand-children and several brothers and sisters.

He was laid to rest in Oakwood Cemetery by the side of his wife, Rev. P. E. Lancaster officiating, assisted by Rev. W. E. Dechert of New Fountain.

W. M. S. MEETS.

The W. M. S. met at the home of Mrs. P. E. Lancaster on Tuesday afternoon at two-thirty for their mission study. Fourteen members and two visitors were present. Mrs. J. A. Horger was leader for the study, "Methodism and Kingdom Extension," which is both very interesting and instructive.

After the study, Mrs. Lancaster assisted by her daughter, Elizabeth, and Mrs. J. S. Fly served delicious refreshments to the following members: Mesdames T. McLaugherty, R. J. Reilly, T. Stanley, Theo. Barnes, J. G. Newton, Leslie Holloway, D. H. Fly, J. A. Horger, J. R. Chancey and Misses Bertha Newton, Lora King and Willie D. Fly and Mrs. S. Laughinghouse and Mrs. Walter McLaugherty visitors.

THRESHING NOTICE.

Will thresh cane seed at my place Thursday, February 19th.

OWLS WIN FOUR; LOSE ONE SINCE LAST REPORT.

From The Owl.
Written 2-9-31

Since last issue of The Owl the Hondo High School team has won four games while losing but one match. Three of the wins were county matches, while the lost was also a county game. Devine and Natalia were the defeated teams, with Yancey the conquerors of the Owls at Yancey. Camp Wood, county champions, were defeated by the Owls Saturday night. Tuesday the Owls played Devine a second game at Devine and now have only Yancey to face. The Owls must win Friday night to obtain a tie for first place in the county title race. A victory for Yancey will make the Tigers Medina County Champs.

On the 30th of January the Owls defeated Devine High School at Hondo 35 to 11. The Devine crew was unable to withstand the assaults of the driving Owls and were forced to take a sound beating.

Durwood Stanley grabbed high scoring honors with 10 points. He was followed by Finger with 7. Sorrell led the losers with 5 tallies.

Line-ups were:—

Taking advantage of the fact that they were on their home court and having the breaks come their way the Yancey Tigers downed the Owls 33 to 15 Tuesday evening on the Yancey court.

Coy Berry of Yancey was "right" and looped in 18 points to take scoring honors. Stanley and Finger each scored 5 points to lead Hondo.

After playing a slow game for the first two quarters and allowing Natalia to hold a 5 to 5 tie at the end of the half, the Owls rallied and won a 41 to 9 victory. Three points by Trafton were all the points Natalia received for the second half.

The Owls got the range on the loop in the second half and strived to wear out the basket as they sank shot after shot. Stanley scored 12 points to lead the scorers while Wilson followed closely with 11 tallies.

Camp Wood suffered a 37 to 30 defeat at the hands of the Hondo Owls Saturday night in a neat, interesting game. The game was marked with fast playing and real sportmanship. Near the end of the contest the Camp Wood boys took to shooting long shots in an attempt to overcome Hondo's lead.

Finger and M. Merritt tied for high scoring honors with 11 points each. M. Merritt had the misfortune to break his nose in a scuffle under the basket during the last quarter. Harry Parsons played a real good game for the Owls as did Burlson of Camp Wood.

The line-ups were:—

TEACHERS POUNDED.

The regular monthly meeting of the Parent-Teachers Association was held at Maverick School Tuesday evening with a good attendance. Mrs. A. N. Mangold presided over the meeting. After the business session the teachers, who have recently moved into the teacherage, were surprised with a pound shower. The gifts were arranged on the stage and when the curtain was raised little Fay Schuchart greeted them with the following:

We've been trying to think of something to do, So decided to give this shower to you. To fill your pantry with good things to eat, We thought was a thing that could hardly be beat. So come, dear teachers, and take it away, With very best wishes from the P. T. A.

The Last Dance Until Easter.

The new Ford is an economical car to own and drive

Low first cost, low cost of operation and up-keep, and low yearly depreciation mean a distinct saving to every purchaser

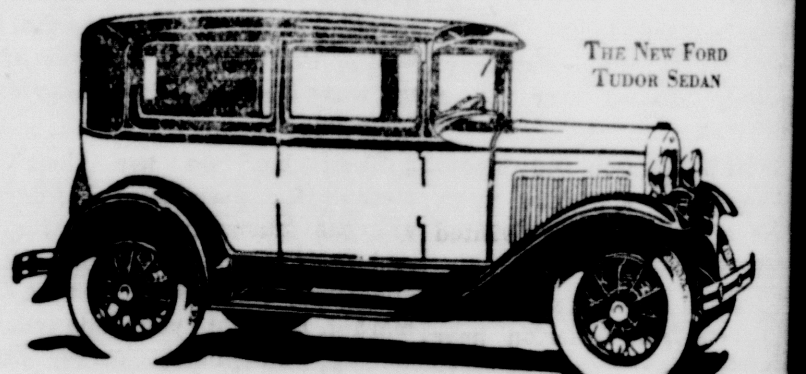

THE NEW FORD is a splendid car to own and drive because of its attractive lines and colors, safety, comfort, speed, reliability and long life.

There are, in addition, three other features of importance to every far-seeing automobile owner... low first cost, low cost of operation and up-keep, and low yearly depreciation.

During the life of the car, the day-by-day economy of owning a Ford will amount to considerably more than the saving on the first cost. You save when you buy the Ford and you save every mile you drive.

The reasons for this economy are simplicity of design, high quality of materials and care in manufacturing and assembling. Many vital parts are made to limits of one one-thousandth of an inch. Some to three ten-thousandths of an inch. Throughout, the new Ford is an outstanding example of fine craftsmanship in automobile engineering.

The more you see of the new Ford—the more you talk to Ford owners and experienced mechanics—the more certain you become of this fact. . . . It brings you everything you want or need in a motor car at an unusually low price.

LOW PRICES OF FORD CARS

THE VETERAN.

YANCEY NOTES.

WILL ROGERS' WORK FOR DROUTH RELIEF.

For some time I have contemplated writing on this subject, but I have hesitated to do so because of the fact that the subject is so well covered by the press.

It will soon be twelve years ago when the boys came home. There was great excitement then and nothing too good for them but as time went on, their deeds are forgotten.

I am not criticizing the people of Hondo. I sincerely believe there are no slackers here but there is something materially wrong with our government and our country's leaders.

I am writing relative to the payment of the ex-service men's adjustment compensation. Of course, we do not all see or think alike but I do believe that President Hoover and Secretary Mellon are deserving of their jobs. They do not seem to understand the lot of the poor man and as long as they have a place in their easy swivel chairs and money in their pockets, they can be worried.

They seem to think that we haven't got the money. But when the next war comes along we will have the money regardless. These are hard times to be sure, but the payment of the adjustment compensation is an obligation of the government.

I believe with Mr. Murray and partly endorse his article. He is a red-blooded American, one who has not forgotten his obligation to the boys.

People all too soon forget the price of liberty. If Wilhelm Hohenzollern had been successful, they might better realize its value now. I have the German blood freely flowing in my veins but I believe as I have always believed that every true American stands ready to defend his country.

Then the liberty of his flag is at stake. But now how many forget. During the war, the private in the army got a dollar a day for dodging bullets while many at home made money and up with swell jobs.

Everyone knows the employment situation and I dare say that the majority of ex-service men need and want the rest of the money that is due them.

There are several bills before Congress now, pertaining to the adjustment compensation, but unless someone is strong enough and public-spirited enough to begin something that will force our leaders to pay up, the soldier is faced with long time of waiting.

It may not seem proper for me as an ex-soldier to write on this subject, but I realize that there are thousands of the boys who are in need beyond our imagination, and it is in their behalf that I am making my appeal.

Edgar S. Rieber.

Since writing the above the veterans held a rousing meeting at which a splendid beginning was made in order to get results such proceedings should be taken in every community in the United States and not only the veterans but the public in general should show under our congress with petitions.

"A MOUTHFUL OF WISDOM."

From The Owl.

Last Friday, January 29, the entire school went to the Colonial theatre where they saw "A Mouthful of Wisdom," a picture on teeth.

This picture showed how teeth are formed and lost. The carelessness of the individual, through the neglect of the teeth, causes many different diseases. These were very forcefully presented.

After the picture, Dr. Knopp lectured on teeth. His lecture was very interestingly presented and enjoyed all.

After the lecture, no doubt, many students went home and brushed their teeth to make certain that such diseases as were shown in the picture would not bother them.

VALENTINE'S DAY

Read The Owl.

Valentine or Valentinus is the name of a considerable number of saints. St. Valentine is a saint of the Roman calendar who was beheaded February 14, 306 A. D. at Rome.

From the old notion that birds began to couple on that day, arose the custom of young men and women choosing each other as "valentines" for the ensuing year by sending love letters to each other. The name became applied to a letter sent by young people of either sex to another on Valentine's Day.

Your Face Covered With Pimples?

Wichita Falls, Texas — "My son was in poor health when he was about twenty years of age. His blood became thin and he was pale. He was also troubled with his stomach and his face broke out with pimples. Finally, I decided to have him try Dr. Pierce's Golden Medical Discovery. By the time he had taken a few bottles of the discovery he was completely relieved of all these troubles, his blood was healthy, and he had no more stomach trouble." — Mrs. Beulah Singleton, 1101 St. Louis, Tablets or Liquid. Druggists.

Write to Dr. Pierce's Clinic in Buffalo, N. Y., if you desire free advice, enclosing paper from medicine.

Golden Medical Discovery.

By the time he had taken a few bottles of the discovery he was completely relieved of all these troubles, his blood was healthy, and he had no more stomach trouble." — Mrs. Beulah Singleton, 1101 St. Louis, Tablets or Liquid. Druggists.

Write to Dr. Pierce's Clinic in Buffalo, N. Y., if you desire free advice, enclosing paper from medicine.

Rev. Rogers has been very busy of late, assisting his members. They spent several days improving the church property, fencing, plowing, leveling, planting trees, shrubbery and flowers.

Last Saturday night the members of the church and friends of Rev. Rogers gave them an old fashioned pounding.

Little Helen Burgin celebrated her birthday last Saturday, and gave a little party for her classmates and friends. All kinds of refreshments were served, and the little tots reported a gala time.

Mrs. T. H. Roensch invited the babies of the community to be present at a party she gave for her little girl, Gloria Mae, who had a beautiful cake with one candle. Since the babies could not attend the party alone, the mothers became automatically invited, and partook of refreshments that were served.

Mr. and Mrs. Millon Burgin and Jack Burgin came in from Lockhart Wednesday where they had been drilling oil wells, for the past several months. After a few days visit with home folks they left Tuesday morning for Woodville where the company has holdings, and they will do some more drilling.

Mr. and Mrs. Dan McCrea and baby boy, are at home, after an absence of several months.

The news reached here of the death of Mr. Valentine Hardt, at the home of his son, John, at Eagle Pass. His body was brought to Hondo by Mr. John Horger, who prepared the same for burial. Mr. Hardt was well known in this community, having been mail carrier on the Yancey-Hondo route for a number of years. His wife preceded him in death on Dec. 3, 1930. We extend our sympathy to the bereaved.

Mr. and Mrs. Allen Thompson of San Antonio are visiting Mr. Barry's family, and may return home Tuesday.

Mr. and Mrs. Tom Duncan and little son went to Somerset on a short visit last week.

Miss Dorothy Burgin spent the week-end with home folks.

Mr. Fritz Faseler made a business trip to Eagle Pass the early part of last week.

Mr. H. G. Wilson and sons shipped several cars of fat cattle to market last week.

Mr. and Mrs. Aubrey Evans of New Braunfels visited Mr. Willie Faseler and family last Saturday. They were accompanied by Miss Erna Faseler.

Miss Alena Redus, who is teaching here attended the funeral of her grandmother, Mrs. Sallie Redus, of Devine Sunday.

Mr. Stanley McAnelly of Ranger was here Sunday for the funeral of Mrs. Sallie Redus, his maternal grandmother. He was accompanied home by Mrs. G. C. McAnelly who has gone to Ranger on and extended visit.

Rev. Don Martin, who is in charge of the Baptist congregation here, filled his regular appointments last Sunday.

Mr. and Mrs. Lee Ward and Mr. and Mrs. Don Martin were guests of Mr. F. W. Bohmfalk and family Sunday.

Mr. Louis Ward of San Antonio spent Sunday with his family here.

Miss Pearl Hardt arrived from San Antonio Thursday, on account of critical illness of Verna Mae. We hope she will soon be out of danger.

A mysterious visitor has appeared at several homes during last week. He acts queerly, walks right in, and in one instance where two ladies were partaking of their noon meal, he walked right in, sat down at the table and began eating. The ladies being very much frightened left the house and went to the neighbors. He will not tell who he is, nor where he is from, and keeps folks guessing.

Mr. and Mrs. L. F. Faseler are entertaining a new baby boy at their home.

RURAL SCHOOLS PLAY SATURDAY.

From The Owl.

Saturday, February 14, the Medina County Rural schools will play for the championship on the Hondo court at the Fair Grounds. D'Hanis, La Coste, Shook and Maverick are the four schools that will participate in the meet. A banner will be awarded the winner of the contest.

F. W. Kazmeier, Bryan, Texas.

(FORMERLY POULTRY HUSBANDMAN TEXAS A. & M.)

The big man in the United States today is Will Rogers, the Cowboy humorist. More people are interested in what he is doing than any other man in the country today. Rogers is giving his valuable time to relieving distress. What do you think would happen if all the big men of the country would donate as liberally toward relieving the depression as Will Rogers is doing? Prosperity would come back with a bang that would be felt all over the world. And all would be benefited thereby.

The liberal givers would lose nothing by their generosity. They would certainly gain more than they would lose. Will Rogers will make big gains from what he is doing for the people, and he certainly deserves every good thing that will come to him.

The Cowboy humorist may encourage other big men to take a hand in doing big things for the common people. Will is doing the one big thing that needs to be done at present, that is, feeding the hungry. And the big job for the other men to do is to bring business back to normalcy, so there will not be any more hungry people to feed.

It is deplorable to say the least, that hundreds of thousands of honest and able bodied men and women to have to be fed by charity today. And the number of hungry will continue to increase unless the big men of the country step out like fine soldiers and break this depression line that is growing tighter around the people every day.

If the big men will put their money to work, either in enterprise or by lending it to worthy people, this depression will end. If something isn't done soon, this fine country may be caught in the throes of an awful revolution. According to the views of some of our best posted men, the world civilization is in greater danger now than it has been in hundreds of years.

The United States is the leading nation of the world, and it is our privilege to stem the tide of revolution and save our property and institutions from destruction.

A Citizen.

CHEVROLET PRODUCTION.

January production of Chevrolet Motor Company was 70,766 cars and trucks, according to W. S. Knudsen, president. Output schedules for February, with three fewer days, call for 67,429 cars and trucks, exclusive of schedules in the company's Canadian plants.

January's production compares with an output of 64,019 in December, the largest December month in the company's history.

The month just ended is the third in succession to establish new high production marks over previous months since Chevrolet brought out its new line of cars in November, when 45,000 cars were made, setting a new output record for that month in any year.

According to President Knudsen, output in February likely will exceed tentative schedules now set and each month during the remainder of the year is expected to show an increase over the preceding one.

Chevrolet factory employment as of Saturday, January 24, totaled 34,447, an increase of more than

ONE PRESCRIPTION MADE FAMILY DOCTOR FAMOUS

Seldom has any single act been of greater benefit to mankind than that of Dr. Caldwell in 1885, when he wrote the prescription which has carried his fame to the four corners of the earth.

Over and over, Dr. Caldwell wrote the prescription as he found men, women and children suffering from those common symptoms of constipation, such as coated tongue, bad breath, headaches, gas, nausea, biliousness, no energy, lack of appetite, and similar things.

Demand for this prescription grew so fast, because of the pleasant, quick way it relieved such symptoms of constipation, that by 1888 Dr. Caldwell was forced to have it put up ready for use. Today, Dr. Caldwell's Syrup Pepsin, as it is called, is always ready at any drugstore.

LADIES BRIDGE CLUB.

Members of the Ladies' Bridge Club and several guests were entertained, Thursday afternoon, with Mrs. L. E. Heath as hostess of a delightful six table bridge. Fragrant narcissuses and violets enhanced the loveliness of the card rooms. Club prize, a novelty boudoir doll, was presented Mrs. L. J. Brucks, and Mrs. T. B. Knopp received guest prize, bridge cards. The cut prize, pillow cases, was won by Mrs. Alice Reinhart.

A delectable salad course, consisting of molded fruit salad, sandwiches, saltines, macaroons and hot tea, was served at the conclusion of the games.

Those present were Mesdames Ed. Ney, R. J. Noonan, H. J. Meyer, O. H. Miller, Alice Reinhart, Earl Boon, Horace Bradley, Earl Starnes, F. H. Schweers, T. B. Knopp, W. O. Rothe, O. B. Taylor, L. J. BRIDGE SUPPER.

The members of the Thursday Bridge Club and their husbands were delightfully honored with a bridge supper, Wednesday night, with Judge and Mrs. R. J. Noonan the hosts. The charming simplicity of the living and dining rooms was enhanced by the tasteful arrangement of potted plants and ferns.

Preceding the games, a delectable supper was served, consisting of individual oyster loaves, saltines, pickles, vegetable combination salad, apple pie with whipped cream, and hot coffee.

Prize winners were Mrs. O. B. Taylor among the ladies and Mr. Robert Decker among the gentlemen. The former received a fern basket, and Mr. Decker was presented a magazine rack.

The personnel included Dr. and Mrs. W. H. Smith, Dr. and Mrs. H. J. Meyer, Dr. and Mrs. O. B. Taylor, Dr. and Mrs. T. B. Knopp, Judge and Mrs. L. J. Brucks, Mr. and Mrs. L. E. Heath, Mr. and Mrs. Earl Starnes, Mr. and Mrs. J. M. Finger, Mr. and Mrs. Horace Bradley, Mr. Robert Decker, and the hosts, Judge and Mrs. Noonan.

VAGABOND CLUB.

Misses Thelma Wilson and Evelyn Kimmey entertained their club, the Vagabonds, Friday night at the ranch home of Mrs. Earl Lacey, sister of Miss Wilson, with several games of bridge. There were five tables of players. Purple violets added loveliness to the living room.

High score prize, a vanity, was won by Miss Lela Hazel Boyd. Low score prize was a perfume set and won by Miss Lucille Van Fleet.

The hostesses served a delicious course of frozen fruit salad, topped with whipped cream and cherries, cheese straws, sweet pickles, potato chips, banana cake, and hot tea.

Those present were Misses Bess Brucks, Ellen Tweedy, Lela Hazel Boyd, Mary Lois Barnes, Hedwig Nester, Eleanor Heyen, Lucy Davis, Lucille Van Fleet, Lillian Schroeder, Elizabeth Holloway, Bernice Mofield, Mary Ruth Wilson, Dwyce Cameron, Naomi Shoor, Mary Ruth Cameron, Ruby Neuman, Gladys Fusselman, Frances Finger, Charlotte Miller, and Dorothy Ann Eckhart.

DINNER PARTY.

Miss Lillian Schroeder was delightfully surprised, Saturday evening at 6:30, when Misses Eleanor Heyen, Ruby Neuman, Evelyn Kimmey and Mayme Earnest gave a dinner party at the home of Miss Heyen in honor of her birthday anniversary. A Valentine motif was featured in decorations and place cards, marking covers for eleven guests.

The savory three course dinner consisted of fruit salad, fried chicken, creamed potatoes, peas, hot rolls, olives and sweet pickles, hot tea, orange ice and angel food cake.

Covers were laid for the honoree, Miss Schroeder and Misses Mary Ruth Cameron, Frances Finger, Hedwig Nester, Thelma Wilson, Evelyn Kimmey, Ruby Neuman, Gladys Fusselman, Eleanor Heyen, Elizabeth Holloway and Bernice Mofield.

Mrs. W. J. Gilliam was a caller at this office Monday and left a sample of turnips grown on the Thad Gilliam farm. They are of the purple top variety and are as fine specimens as ever grew in any man's country, and turnips have always been this writer's favorite vegetable at that! The warm, moist winter has been ideal for turnips thus far and it is doubtful if this section ever grew them in greater abundance or of superior quality. Many thrifty housewives are putting them up as kraut and they will thus be made to gladden the palate and reduce the cost of living for many far into the months to come.

MRS. MEYER IS BRIDGE HOSTESS.

Mrs. H. J. Meyer was hostess in the late afternoon, Tuesday, for one of the most charming bridge parties which have dated the calendar this season. Assisting the hostess were Mrs. T. B. Knopp and Miss Hedwig Leinweber.

Each room of the home had a special flower combination for the decorative feature, violets adorning the reception hall, pink carnations and purple violets adding their fragrance and color to the attractively arranged living and dining rooms. The Valentine motif was seen in the tallies.

A rich and savory luncheon, consisting of molded chicken salad, saltines, olives, sweet sandwiches, lady fingers, ice cream, molded in a heart shape and topped with whipped cream and a maraschino cherry, and hot tea, was served on prettily appointed tables laid with modern napery and silver service. The Valentine motif was again featured in the heart-shaped minis.

Following five games of bridge Mrs. Elmer Leinweber won high score among the matrons. High score prize for the misses went to Miss Agnes Rothe. Second high score was won by Mrs. Robert Bendele, and Mrs. Ray Jennings was the recipient of low prize. In harmony with the Valentine motif, a prize was presented Mrs. F. H. Schweers for having made the greatest number of games in the heart bid. Gifts were cut flowers, and glass-ware.

Those invited were Mesdames Earl Starnes, W. H. Smith, O. B. Taylor, R. J. Noonan, T. B. Knopp, O. H. Miller, Horace Bradley, L. E. Heath, J. M. Finger, Fletcher Davis, R. D. Matocha, L. J. Brucks, E. W. Speece, F. H. Schweers, Alice Reinhart, Henry Merri-man, Elmer Leinweber, Garland Martin, Charles Morkhous, J. D. Lacy, L. E. Kollman, Volney Boon, M. L. Broxton, Henry Windrow, Robert Bendele, Ben Oefinger, Robert Kollman, M. L. Tansey, J. G. Barry, Alfred Rath, Theo. Cameron, Henry Muennink, Walter Rothe, Arthur Rothe, Earl Lacy, E. G. Murray, Marvin Beal, Earl Boon, Alfred Schweers, Felix Batot, Ray Jennings, K. B. Schilling, Hugo Balzen, Ed. Ney, J. P. Ephraim, and Misses Bess and Lillian Brucks, Della Mae Adamcik, Emma Hodges, Pearl Fawcett, Vera Lee Cook, Minnie Margaret Howard, Ellen Tweedy, Lela Hazel Boyd, Sue Heatly, Anne Davis, Nora Karrer, Frances Finger and Hedwig Leinweber.

ST. PAUL'S LUTHERAN CHURCH NOTICE.

At 9:30 Sunday morning the Bible class and Sunday school meet. The Sunday School is doing much good. All are invited to be present.

At 7:15 P. M. Divine service in the English tongue will be held. This service will be conducted by Rev. Wm. Schnier of San Antonio. Rev. Schnier is a young man in the Lutheran mission work. He will doubtless have a very interesting message to deliver. All are cordially invited to all services in this church.

The following program of divine services has been arranged to be held Sundays during the vacancy of its pastorate:

On the 1st Sunday in the month, English service at 7:15 P. M. by Rev. C. P. Hasskarl. On the 2nd Sunday in the month, German service at 10:30 A. M. by Rev. C. P. Hasskarl. On the 3rd Sunday in the month, English service at 7:15 by Rev. Wm. Schnier. On the 4th Sunday in the month, German service at 10:30 A. M. by Rev. G. Langner.

CARD OF THANKS.

We take this means of publicly expressing our thanks to our neighbors and friends for their many acts of kindness to us in the last illness and at the funeral of our beloved father, E. H. Schmidt, and for the many expressions of sympathy for us in our press our appreciation of the beautiful floral offerings and especially thank Rev. C. P. Hasskarl for the words of comfort spoken in the funeral service, and the Lutheran Choir for the beautiful songs at the grave. THE CHILDREN.

BASKETBALL TOURNAMENT HERE FEBRUARY 20-21.

The District Basketball Tournament of District 22 will be held at Hondo on February 20-21 as eleven counties are represented in this district and it is doubtful if all 11 will be represented. Camp Wood, Real County champs; Del Rio, Val Verde County champs; Frio County champs; Moore, La Salle County champs; Cotulla, La Salle County champs; Rocksprings, winners in Edwards County; Asherton, leaders of Dimmit County; Uvalde and Medina Counties have all indicated that they will be present at the tournament.

Due to a new scholastic ruling, a team can play only two official games in one day. This will make it necessary that all but four teams be eliminated by Saturday morning and only three games will be played Saturday. Plans are under way to have the eliminated teams play and have Hondo High School take on any team that is willing to play.

Medina County boasts two teams this year that are capable of winning the district title. Hondo and Yancey both have crack teams. The Hondo boys have already defeated Del Rio, Camp Wood, county champs, and challenge any of the other county winners to a game.

Latest Report

Kinney and Zavalla Counties will attend the meet. Eagle Pass of Maverick County expressed doubt in attending. Should Eagle come the schedule will be: Friday, February 20: Real County, Camp Wood, bye. Frio County, Moore, vs. Medina County at 10:00 P. M. LaSalle County, Cotulla, vs. Uvalde County at 1:30 P. M. Edwards County, Rocksprings, vs. Dimmit at 3:00 P. M. Maverick County, Eagle Pass, vs. Val Verde County, Del Rio, at 4:30 P. M. Winner Bracket 1 vs. Real County at 7:30 P. M. Saturday, February 21. Winner Bracket 5 vs. winner Bracket 2 at 9:00 A. M. Winner Bracket 3 vs. Winner Bracket 4 at 10:30 A. M. Finals at 7:30 between winners Bracket 6 and Bracket 7. If Eagle fails to appear, Real County will take their place and a play-off for third place held.

NEW FOUNTAIN MISSIONARY SOCIETY.

The New Fountain Woman's Missionary Society met at the home of Mrs. Geo Muennink, Friday afternoon, at 2 o'clock for their regular monthly meeting. The following program was rendered: Devotional topic, "Knowing God as Father," and scripture Luke 15: 11-24 and Luke 11:9-13 — by Mrs. F. Stiegler. "The Aim of a New Day in Missionary Enterprise" — by Mrs. George Wiemers. "The Present day aim in Mission" — by Rev. E. W. Dechert. "The Missionary Message for the New Day" — by Mrs. L. H. Heyen. "Be the best of what ever you are" — by Mrs. T. G. Wiemers. Vocal Solo, Rose Senne, accompanied by Mrs. Senne.

During a short business session it was decided to observe February 20, as a Day of Prayer.

A most delightful social hour followed, during which the hostess served a delicious refreshment course and twelve members and number of visitors. The next meeting will be held March 6, in the home of Mrs. Geo Muennink.

SECO P. T. A. ENJOYS PROGRAM.

An enthusiastic group of members and several visitors gathered at Seco School on Friday evening, Feb. 6, for the regular meeting of the Seco Community Parent Teacher Association. The young men of the club, under the supervision of Lee Rudinger and Arthur Lutz, presented a comic black-face farce entitled "Mandy Spoils de Wedding." Others participating were Hubert, Louis, Alphonse, and Alfred Lutz, Mervin Poerner, Arnold and Raymond Weynand.

The business session opened with Mrs. Louis Pichot, chairman presiding. Alma Weynand read an instructive paper on "Founders Day," which summarized the history of the National Congress and outlined the work begun by Mrs. Birney and Mrs. Hearst for child welfare.

The secretary, Mrs. W. O. Rothe, announced that the Fifth District Conference would meet in Beeville, March 25 and 26. Miss Agnes Rothe, publicity chairman, reported the purchase of a publicity record book which will be completed for the Conference. Delegates to the County Council at Shook were appointed by the president as follows: Mrs. Herman Poerner, Mrs. E. A. Rothe, Misses Agnes and Sara Rothe.

Announcement of Parent's Visiting Day, February 27, was made and an invitation was extended to all patrons to visit the school on that occasion. The principal's report included an account of the recent visit of County Superintendent, W. N. Saathoff. She requested the co-operation of patrons in the participation of Seco in the County Interscholastic League Meet to be held in Hondo March 27 and 28.

The hostesses, Misses Margaret Lutz, Agnes Rothe, and Beulah Rudinger served delicious sandwiches and coffee.

TEXAS AND TEXANS.

By
Will H. Mayes
"All Texans for All Texas"

Working Together For Texas

Quite noticeable, at least up to this time, is the complete harmony that exists between the Texas legislature and the Governor. Every member of the legislature is not in thorough accord with all the views of Governor Sterling, nor will all his ideas be adopted by that body, but there is a disposition on the part of the executive and legislative branches to try to smooth out differences of opinion in a way to bring about the greatest good for all Texas. This has not been so evident for several administrations past, and of course there is always the possibility of an unexpected breach. A good start has been made, however, and it is to be hoped that the harmonious feeling may continue throughout the legislative session. If so, much constructive legislation of a kind now much needed may be expected.

Cut Down Waste

There is no question but that there is much departmental and institutional waste. Expense of almost every branch of the State government doubtless might be cut one-third without impairing their usefulness or efficiency and some could be eliminated altogether. There is great duplication of activities. The administration of law has become needlessly burdensome while its corrective influence has grown weaker. There are too many educational institutions unnecessarily duplicating efforts. In the higher schools especially there is too much duplication. The per capita expense in these has grown out of proportion to the help training given. Through the establishment of numerous bureaus and in the guise of "research," many are supported in the name of "education" who are devoting their time to other things than teaching. There is too much "joy-riding" over this and other States at the expense of the taxpayers. There is too much automobiling, railroad riding and sin-couring at public cost. The State's business should be as carefully guarded against waste as a private business would be.

Getting Too Frugal

There is always the danger, though of practicing economy to such an extent that public interests may suffer. Texas just now is starting on a century of progress that should and may eclipse anything in the World's history. For this a broad foundation should be laid, but it should not be wasteful. The best thought of the day should be put into plans for the future growth of this State, and everything for Texas' good should be carefully but broadly considered. Texas can not afford to be niggardly in its duty either to those who have sacrificed for the State, to those who are now carrying on the great work, or to those who will inherit the responsibilities of the future. Whatever will help Texas now or in the future should receive the support and aid of the Texas legislature and of every loyal citizen of the State. We can, partly at least, discharge our obligations to those who have built here so great a State through their sacrifice by recognizing and meeting our obligation to those who follow.

Oil Works Magic

Harry Sinclair is credited with the statement that the East Texas oil field near Henderson and Longview may prove to be richer than any yet discovered in Texas, and there are others who say that between that field and the one in West Texas there lies a vast pool, rich beyond the dreams of present operators. Certain it is that oil and gas have done much for Texas and give promise of wealth still greater.

The Henderson-Longview discovery is attracting nation-wide interest and drawing so many people to the territory that it has become hard to take care of them. At Longview a 10 story, 500 room hotel is to be built and a 64 room addition to another hotel; a refinery is to be built; a huge office structure to be erected; railroad trackage to be constructed—all and more in anticipation of continued activities.

Beautifying Randolph Field

Plans for the improvement of Randolph Field at San Antonio, the country's largest flying field provide for its beautification by the planting of 250,000 plants of various kinds under the direction of a landscape artist. There are 1,900 acres in the landing field about 485 of which are being converted into a vast lawn to be covered with practically all kinds of trees and shrubs indigenous to Texas soil and climate. It will excel in extent the proposed Texas Botanical Gardens at Austin, the development of which has been retarded by lack of State funds for that purpose.

Few County Libraries

Although Texas has a library law, said to be one of the best in this country, which has been in effect eleven years, there are only thirteen county libraries in the State's 254 counties. Evidently there is need of awakening to the value of county

libraries in Texas.

Kill The Snakes

Southwestern Resources, San Antonio, has suggested that a bounty of 25 cents for the head of each rattlesnake and copperhead and 10 cents for each moccasin head be offered as a sensible aid to unemployment and to rid the country of poisonous snakes. Not a bad idea this, if it would accomplish both results.

Building Masonic Home

San Angelo Masons propose tearing down an old frame structure built 35 years ago as a temporary lodge room and erecting in its place a modern structure of Egyptian design to cost \$200,000. Evidently San Angelo Masons think it is about time to get a permanent home.

Fighting Fire Premiums

New Braunfels made such a good fire record in 1929, that a 15 per cent rate reduction was made in its insurance key rate, which saved insurers \$8,000 in premiums in 1930. Uvalde had only one fire in 1930, the loss being only slightly more than \$1,000, and expects to get the 15 per cent reduction this year. These two instances show that it pays in real cash savings to keep down fires in Texas towns.

Will Own Gas Plant

By an overwhelming majority Ft. Worth has voted to own and maintain its local gas plant and has begun negotiations with Eastern financial concerns for a supply of natural gas for use in municipally owned distributing system.

"Prosperity Week"

Various organizations united at Earlington to have a "Prosperity Week" celebration during which the many activities of the city and country, prominent among which were the shipping sheds bulging with produce being loaded for Northern markets, while just outside the city were shown orchards "laden with golden yellow oranges and grape fruit; truck farms green with lettuce, cabbages, spinach, beets and carrots—" sights calculated to stop the "belly-aching" of the most chronic pessimists of the land.

Millions in Gas Lines

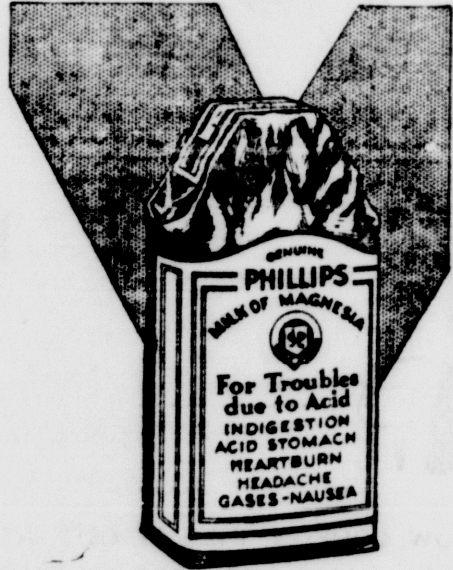

Western Gas Company officials have announced that work will start at once on a \$8,000,000 gas line west from El Paso, to supply North Mexico and Arizona towns with gas, the project to be completed by August 1. Six million dollars of profit-reaping prosperity!

Goliad Memorial Park

Goliad wants to give the State a 207 acre park as a memorial to the 300 Texas heroes who died in the Goliad massacre of March 27, 1836. The petition states that "the coming centennial of Texas independence should witness State ownership of the massacre site." This ground should be acquired and included in whatever celebrations are held in 1936. Make Highways Slightly

Several local garden clubs in Texas have taken as their immediate work the planting and care of trees, shrubs and flowering plants on the State highways in their counties. The movement should be State-wide.

ACID STOMACH

EXCESS acid is the common cause of indigestion. It results in pain and sourness about two hours after eating. The quick corrective is an alkali which will neutralize acid. The best corrective is Phillips' Milk of Magnesia. It has remained standard with physicians in the 50 years since its invention.

One spoonful of Phillips' Milk of Magnesia neutralizes instantly many times its volume in acid. It is harmless and tasteless and its action is quick. You will never rely on crude methods once you learn how quickly this method acts. Please let it show you—now.

Be sure to get the genuine. "Milk of Magnesia" has been the U. S. Registered Trade Mark of The Charles H. Phillips Chemical Company and its predecessors Charles H. Phillips since 1875.

THE NEW ENGLANDER'S IDEAS OF TEXAS.

By Joe Harvey Wilson
Providence, R. I.

From what I have been able to gather, the people in New England know less about Texas than Texans know of this section of the country. Most of them are aware of the fact that Texas is the largest state and that she produces more cotton than any other state, but outside of this, the general knowledge of Texas by those who have not travelled in the South or read a considerable amount about it, is very limited.

Of course there is no particular reason why they should be acquainted with our state anymore than we are with theirs. When a New Englander knows that a native Texan is in his midst, the latter may well prepare for a bombardment of questions, for these people express an unbelievable amount of curiosity about Texas. And the questions some of them can ask are innumerable, for they have quizzed me up and down until I think they are giving me the third degree. The most peculiar part of all is that, no matter what kind of a reply is made, it is always accepted. This often proves tempting to the Texan for he is apt to let his imagination get the better of him and make a response which is not altogether true. Usually such a response doesn't disappoint the listener for he really expects a "wild and woolly" story of some nature.

The average Easterner's idea of the topography of Texas is a long, flat, rolling plain, with no hills or mountains to obstruct the view in any direction. And upon this plain a great many cattle are supposed to thrive, and where the cattle aren't grazing, there the cotton is planted. Cultivating this cotton are quite a number of American people with the Mexicans and Negroes helping, and tending the cattle are some thousands of cow-punchers in their conventional dress, which includes the guns, of course. Such a depiction of Texas life may appear ludicrous to you; nevertheless, I have often been forced to correct such notions as the above. The idea that Texas retains the romantic atmosphere she possessed in 1863 is more prominent than one likes to admit.

The cowboy appeals to the curiosity of New Englanders very much. He is a figure of a fascinating type, and I have answered a thousand queries, to the best of my ability, about him. Some of my best friends call me by that nickname just because I come from Texas. They take it for granted that all Texans are raised on ranches, fifty miles from the nearest neighbor, and knows no

2 Meals Day, Plenty Water, Helps Stomach

"Since I drink plenty water, eat 2 good meals a day and take Adlerika now and then, I've had no trouble with my stomach."—C. DeForest.

Unlike other medicine, Adlerika acts on BOTH upper and lower bowel, removing poisonous waste which causes gas and other stomach trouble. Just ONE spoonful relieves gas, sour stomach and sick headache. Let Adlerika give your stomach and bowels a REAL cleaning and see how good you feel! W. H. Windrow, Druggist.

Hondo, Texas

other life. They have great desires to see boots, chaps, spurs, ten-gallon hats, and guns, none of which I possess; so if any of the readers happen to come to the north, don't fail to bring along some of the above articles.

A few months ago an acquaintance came up to me and said: "I have often wondered how people in Texas get about. Do you have any automobiles (machines, they call them) or trains down there?" This question is a little rare, for it is seldom that such dumb ones are put to me. After laughing for a few minutes, I replied that there were other means of transportation than the horse.

Another prevailing idea here is that Texas does not experience cold weather. To tell them that I had seen snow in Texas is to shock them, but it must be done. One person had the audacity to ask if I had ever possessed an overcoat before coming up here. When I explained that the thermometer dropped to zero several times last year, this person concluded that overcoats might be necessary in Texas.

Few people here realize that Texas is fifth in population among the states. And I'm sure that the majority doesn't realize that we have five cities over a hundred thousand in population, and that these thousands do something besides ranch work. The industrial developments in Texas are practically unknown, especially with reference to manufacturing, for the general tendency is to concede Texas to be an agricultural state entirely.

Peter, Peter great book-reader Had a wife and couldn't keep her He put her in a great big book, And there she stayed to read and look.

FARM LOANS

The Hondo National Farm Loan Association, H. E. Haass, Sec.-Treas. Hondo, Texas, representing 260 borrowers with \$1,025,280.00 borrowed is prepared to make farm loans anywhere in Medina County under the Federal Farm Loan Act at 5 per cent interest and 1 per cent 36 year amortization repayment plan. Sixty two thousand Texas farmers have taken advantage of this system of borrowing over one hundred eighty one million dollars. Why not you? Former restrictions have been taken off and you may borrow for any purpose provided for in the Act, as a farmer only.

OVERWORKED NERVES

UP TO your ears in work—every nerve at high tension. No wonder you snap at the wife and bark at the children.

Watch out! Overworked nerves may lead to Sleeplessness, Nervous Headache, Nervous Indigestion and a host of other unpleasant disturbances. Why don't you try Dr. Miles' Effervescent Nerve Tablets?

Just one in a half glass of water makes a pleasant, sparkling drink delightfully soothing to over-taxed nerves.

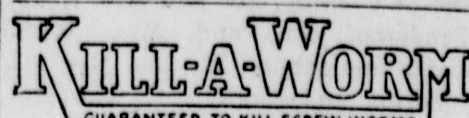

Dr. Miles' Nerveine is now made in two forms—Liquid and Effervescent Tablet. Both are the same therapeutically.

ROUND ABOUT THE HOME

SOME TESTED RECIPES.

Arranged by Domestic Science Department C. I. A.

This series of menus prepared by the Household arts department of the College of Industrial Arts feature coarse breads for the variety and bulk they add to the diet. These breads are delicious toasted; they are quite complete in themselves, if served with butter, and are especially so when containing dried fruits and nuts.

BREAKFAST

Cole Slaw Creamed Fried Onions

Apricot Whip with Thin Cream

SUPPER

Toasted Cheese Sandwiches
(Raisin Whole Wheat and Brown Bread)

Apple Sauce Oatmeal Cookies
Milk

Raisin Whole-Wheat Bread Made With Yeast.

Dissolve 1 cake Fleischman's yeast, 1 teaspoon salt, and 4 tablespoons light brown sugar or molasses in 1 cup lukewarm water. Add 2 tablespoons melted shortening, 4 cups Graham flour gradually and 1 cup raisins well floured. Then add enough white flour to make a dough that can be handled, being sure to keep the dough soft. Cover and set aside in a warm place to rise for about two hours. When double in bulk, turn out on kneading board, mould into loaves, and place in well-greased pans, cover and set to rise again—about one hour, or until light. Bake one hour in a slower oven than for white bread. This recipe makes two loaves.

Quick Raisin Bread

Sift 1 1/2 cups flour, 1 teaspoon salt, 4 teaspoons baking powder and 1/4 cup sugar together. Mix with 1 1/2 cups whole wheat flour. Add one egg well beaten and 1 1/2 cups of milk and mix thoroughly. Add 2 tablespoons melted butter and 1 cup raisins. Put into a greased loaf pan and bake in a moderate oven for 1 1/2 hours. This makes one loaf.

Boston Brown Bread

Mix 1 cup yellow cornmeal, 2 cups Graham flour, 1 1/2 teaspoons soda, 1 teaspoon baking powder and 1 teaspoon salt, and 1 cup raisins. Turn 2 cups sour milk and 1 cup molasses into a mixing bowl. Add dry ingredients and mix well. Turn at once into an oiled bread pan, and bake in the oven from 50 to 60 minutes; or fill one-pound baking powder cans which have been oiled two-thirds full, and steam at least four hours. If the bread is steamed, remove it (after steaming) from the molds and dry in the oven for a few minutes.

BREAKFAST

SENTENCE SERMONS.

By Rev. Roy L. Smith,
in Houston Chronicle.

HE HAS ACHIEVED SUCCESS—

- Who has learned to live above suspicion.
- Who has kept faith with his conscience in the face of temptation.
- Who has learned to work at high speed in the spirit of serenity.
- Who has done his work so well that no one needs to do it over again.
- Who has kept an unpolluted shrine within his own soul.
- Who has dedicated his best to the best.
- Who has walked uprightly before men and humbly before God.

used with 3 teaspoons baking powder). Add flour mixture and 1 cup bran to the egg and milk mixture. Then add 1/4 cup butter or 2 tablespoons butter and 2 tablespoons Crisco. Pour into the greased muffin tins and bake in a moderate oven 20 to 25 minutes. This recipe makes twelve rather large muffins. One-half cup chopped dates, raisins, or currants may be mixed with the bran and stirred into the batter.

Date-Graham Ginger Bread

Sift 1 cup white flour, 1 teaspoon baking powder, 1/4 teaspoon soda, 1/2 teaspoon salt, and 1 1/2 teaspoons ginger, 1/2 teaspoon cinnamon, 1/2 teaspoon nutmeg together. Add 1 cup Graham flour and mix well. Chop 1 cup sliced dates into dry ingredients. Place 1/2 cup melted shortening into a mixing bowl, add 1/4 cup molasses, one beaten egg, and 1/2 cup sour milk. Add the dry ingredients all at once and beat until smooth. Bake in well-greased muffin tins.

CUPID'S CAFETERIA SOCIAL.

By Juliette Frazier.

"How shall we devise something 'different' in the way of a money raising program for the benefit of our church or Missionary Society?" is the question which often perplexes the presidents of these busy and practical organizations.

If the affair is to take place around St. Valentine's day, "Cupid's Cafeteria Social" offers a solution to the problem. It is not at all difficult, and adapts itself to the accommodation of any number of people.

Artificial cherry blossoms and pussy-willows may be used for decorations. The cherry blossoms can be made by fastening little pink paper blossoms and darker pink buds on branches cut from some shrub or tree. Place in large cans in the corners of the room and cover the cans with dull green or brown crepe

more than 200 acres of cantaloupes and about 40 acres of tomatoes in the McDade community, that town will get a packing shed and have buyers there to purchase the crops for cash on delivery of the products.

Why the County Prospers

The Floresville Chronicle-Journal proudly refers to the fact that 1930 was a year of prosperity for the people of Wilson county and says this was "made possible by a great program of diversification," which will be carried forward with even greater co-operation during the year 1931. I have studied closely papers from all sections of Texas and have found that where the farmers have worked together along well-studied lines of diversification and marketing under the leadership of county farm and demonstration agents there has invariably been least complaint of financial depression. To make farming a great business it must be conducted along business lines, which is something that Texas farmers are learning.

Crystal City Produce

Crystal City has shipped this season, up to January 1, 1,295 cars of green produce, of which 1,132 cars were spinach. The total shipments to the same date last year were 560 cars, an increase of 735 cars. Profits were not as large as growers had hoped, but they made some money and gave employment to many workers who would otherwise have been idle.

Hondo's Stable Products.

Hondo is another town that ships out more products than it ships in, but Hondo goes in largely for staples rather than perishable produce. Last year it shipped 163 cars of corn, 12 cars of maize, 12 cars of oats, 20 cars of cattle, 350,000 pounds of wool and mohair and a little less than 2,000 bales of cotton, which was about 100 per cent more than the year before. Hondo is one of the towns from which very little has been heard about "financial depression."

Living at Home

If Bastrop county farmers adhere to their program, the slogan of which is "Live at home and board at the same place," they will have no cause to complain of the year 1931. There is too much disposition shown to live in the automobile and board at the grocery store. And this is true of other people than farmers, too.

Canning More Meat

Home demonstration agents reporting to A. & M. College state that farm families are canning more meat of all kinds than in any previous year and that in doing so they are realizing much more on each animal than they secure on the local markets. Besides they are decreasing the expense of the family living and making more certain a steady supply of food.

A Big Order

An Ohio buyer is wanting to contract for one and a half million pounds of Carrizo Springs strawberries and the Javelin says the contract will probably be made, still leaving enough for the famous strawberry festival, which I am hoping to attend. "So Big, Texas"

Property values in Texas are \$12,000,000,000 according to figures compiled by T. F. Harwell, retiring statistician of the State Department of Agriculture, and newspaper man. He values the 168,000,000 acres of Texas lands at \$4,000,000,000, the cultivated lands including improvements at \$3,000,000,000. Contrary to reports frequently made, he finds that twice as much land is cultivated by owners as by tenants.

Turkeys raised last year are valued at \$8,000,000, chickens at \$17,000,000, eggs at \$27,500,000, the poultry crop being worth one-sixth of the cotton crop marketed. Dairy products are valued at \$120,500,000, or about two-fifths that of the cotton.

The figures are especially inter-

esting in that they show that Texas farmers are profiting by diversifying their farm interests.

Making Poultry Pay

Owners of 250 farm poultry demonstration flocks last year, with a total of 54,000 hens, made an average profit of \$1.85 per hen, which was more than twice the average for the State. The feed cost was \$1.70 per hen, varying from 9 cents in April to 27 cents in November. This should prove to any one that with proper care a flock of farm poultry can be made to pay the expenses of almost any farm family.

Co-Operative Euying

The county farm agent of Mason county in his annual report says that about 25 farmers who bought fertilizers co-operatively last year saved about \$5.00 a ton of their purchases. The result is that they will buy together again this year and other farmers will go in with them. The strangest thing about farmers is that it has always been so hard to get them to unite for their common good, even though they are shown that it pays them to do so.

GRAIN GRADING SCHOOLS.

A series of three grain grading schools have been arranged at Seguin, New Braunfels and Pearsall on February 5th, 6th and 7th to acquaint farmers, buyers and dealers with the requirements of the Federal grain grades and how to meet them, according to announcement of E. A. Miller, agronomist of the Texas A. & M. College Extension Service. Representatives of the Federal Grain Supervision and Inspection Service of the United States Department of Agriculture are scheduled to explain and illustrate corn and grain sorghum grading, while members of the Extension Service will deal with factors of growth and storage as they affect grades.

The reason for the schools, as pointed out by J. F. Shanley, chief inspector of the San Antonio Grain & Hay Exchange, is the discount levied on grain shipments from some sections of Southwest Texas because of failure to measure up to Federal grain grades. Otherwise high quality corn that should command a premium is discounted from one to five cents per bushel in some sections because of its mixed colors. Mr. Shanley says, adding that Southwest Texas enjoys great natural advantages as a producer and exporter of high grade early corn and grain sorghums. It is the object of these grain grading schools to help farmers and the grain trade to cash in on these natural advantages, he declares.

Local arrangements for the meetings are in the hands of the respective county farm demonstration agents, Silver Whitsett at Seguin, George Elhinger at New Braunfels, and the demonstrations, motion pictures and discussions will be of interest to anyone in Southwest Texas, those in charge declare.

The program in detail: Explanation of Grain Grading by E. L. Morris, Federal Division Grain Supervisor, Kansas City; Inspection and Supervision in the Grain Markets of Texas by C. W. Griffin, Federal District Grain Supervisor; Demonstration of Moisture Testing, Test Weight Per Bushel, Dockage, and Interpretation of Other Factors Considered in Grading Grain by J. F. Shanley, Chief Grain Inspector, San Antonio; Insect Control in Stored Grain, R. R. Reppert, Extension Entomologist, College Station; Corn Production, E. A. Miller, Extension Agronomist, College Station; and motion picture films illustrating various steps in the harvesting, inspection and marketing of grain.

Then there is the traffic cop who suffers from insomnia and counts autos to put himself to sleep. —The Pathfinder.

GRADUATED TAXES.

An Ad Valorem tax is merely a property tax, and in most cases, the latter is more explanatory,—at least the average reader more clearly understands it.

When property holdings are released from taxation, then the "grab-bag" hog will be in his glory. He can hide his incomes so the assessor cannot easily get at them, but he cannot hide his actual property.

To shift taxes from property to income, is much more desirable to the greedy property hoarder than a property tax.

Courts seem to hold that graduated incomes are permissible under the Constitution, but some people claim that a graduated property tax would not be in keeping with Constitutional rights.

If this is really true, then the thing to do is to make it Constitutional, and then proceed to relieve the small home owner from the present unbearable tax methods, and place the tax on the property hog and the mortgagee, and make it so strong that all over-swollen fortunes cannot exist.

SELECT A HOME FROM OUR LIST:

FINE FARM FOR SALE.

The John C. Merriman 340-acre farm, 2 1/2 miles south of Hondo, on Hondo-Yancey graveled road is for sale. Three hundred and thirty acres in high state of cultivation, ten acres in traps for work stock. Good five room residence, three tenant houses, necessary out-buildings; 68-foot well that has never been known to go dry, equipped with both windmill and gasoline engine. Forty-five dollars per acre will take this farm, together with teams, tools and other equipment now on farm, or will sell without these. Thirty-five hundred cash and easy terms on balance will put you in possession of this fine farm. For further particulars, consult the owner or see either member of the HONDO LAND CO.

Mr. and Mrs. George Christilles from here and Mr. and Mrs. Joe Schmidt from Devine were visiting Mr. and Mrs. Harry Vonlie at Castroville Sunday.

DEVINE NEWSLETS.

From The Devine News.

LOTS OF CORN YET TO BE MARKETING.

While the Devine elevator handled near a quarter of a million dollars worth of corn, the past season, Mr. Keller "the Corn King," says there is quite a lot of corn still unsold. Some people would not sell for 85 cents when the market opened and when it dropped down to 60 and then 50, they could not think of selling. The wonderful season in lands, and the promise of another big corn acreage here will have a tendency to force this corn on the market it is thought.

FROM BIRY.

Mr. and Mrs. Frank Bilhartz and son from San Antonio spent last Sunday with Mr. and Mrs. Ed. Bader.

Mr. and Mrs. M. Koch and baby from D'Hanis spent last Sunday with her parents, Mr. and Mrs. Jack Bilhartz.

F. J. Biry and Ed Bader spent Saturday night at Castroville with relatives.

Mrs. Hugh Love and daughter, Miss Vick, spent Saturday in Devine.

Aaron Bilhartz and Herbert Mussman spent Monday in San Antonio.

Julius Rihn is at home after spending last week in San Antonio.

Mr. Jacob Biry spent the week-end in Castroville with his son Emil Biry.

Mr. and Mrs. J. L. Wernette and Mr. and Mrs. Jack Bilhartz spent one day last week in Hondo, going to be with Freddie Wernette who had his tonsils removed.

Mr. Albert Bilhartz spent one day last week in Hondo.

Mr. C. C. Godden spent last Friday evening in Hondo.

Prof. and Mrs. J. L. Taylor spent one day the past week in Hondo.

Miss Tessie Rihn is spending a few days with her sister, Mrs. Raymond Schott, at Rio Medina.

Misses Lucy Monkhous, Naomi Harris and Pauline Turner and Messrs. Herbert Holzhaus, Raymond Moehring and Edgar Harns were visiting Mr. and Mrs. H. F. Keller and family here Tuesday.

Mr. and Mrs. Ed. J. Riff and children from near Dunlay and Mr. and Mrs. Geo. Kunze and children and Mrs. Otto Jungman spent Sunday with Mr. and Mrs. Arthur Mechler and family at the Sauz.

Messrs. Marvin Hunter, Jr. Editor of the Bandera New Era and Bernard Jureszki also from Bandera were early visitors at our office last Thursday. Mr. Hunter purchased our Diamond Hand Press, which we recently replaced with a Lee. He will take the press to Fort Davis in Jeff Davis County, where he will open a new paper this month. We wish Mr. Hunter and his partner success in their new field.

TO THE MEMBERS OF THE HOME RELIEF ASSOCIATION, OF MEDINA COUNTY, TEXAS.

All members are requested to attend a called meeting of the Association, to be held in Hondo, Texas, on February 14th at 3 o'clock P. M. for the purpose of amending the By-Laws. Don't forget the date.

W. N. Saathoff, President.

29-2t H. H. Crow, Secretary.

RUPTURE

E. J. MEINHARDI, of Chicago

Expert on the Meinhardt Rupture Shield, is coming here again. He will personally be at the Gunter Hotel, San Antonio, Texas, on Saturday & Sunday, February 21st and 22nd, from 10:00 A. M. to 4:00 P. M. daily.

SPECIAL NOTICE—All customers that he has fitted here during the last ten years are invited to call for inspection. All others are invited to call and investigate. There is no charge for demonstration. Come in and talk with these former customers regarding their experience with this Appliance. This visit is for men only.

Mr. Meinhardt says:

Thousands of satisfied customers report that this Appliance retains the rupture perfectly and quickly contracts the opening regardless of the size or location of the rupture.

The "Meinhardt Rupture Shield" has no undertraps. It is perfectly sanitary, practically indestructible, and may be worn while bathing.

Rupture often causes Stomach Trouble, Backache, Constipation, Nervousness, and other ailments. Thousands of deaths from rupture can be avoided.

CAUTION: Protect yourself against imitations of this notice—remember the name MEINHARDI.

Please note the above dates and office hours carefully, as he will not visit any other city in this section at this time. (This visit is for white people only.)—E. J. Meinhardt, Home Office, 1551 N. Crawford Ave., Chicago.

Mr. and Mrs. Oscar Tondre and sons, Charles and John, were Yancey visitors Saturday.

Mrs. Ferdie Koch and daughter, Corinne and son, Vernor were Hondo visitors Saturday afternoon.

D'HANIS P. T. A.

The P. T. A. of D'Hanis held a regular business meeting at the school house, Friday afternoon, Feb. 16th.

The members were entertained with the following interesting program by the pupils of the intermediate grades.

Dialogue—The Tree That I Will Plant—by Chester Jackson, Charles Saathoff, Albert Britz and Irson Secrist.

Recitation—What Do We Plant When We Plant A Tree—by Pauline Schmidli.

Song—Tree Planting—by Pupils.

The president then called the meeting to order and a balance of \$70.81 was reported in the treasury.

The club voted to hire a man to plant trees on the school campus.

Prof. M. J. Scott, Mrs. F. J. Jackson, and Miss Carrie Langfeld were appointed as a committee to direct the planting of the trees and some shrubbery around the school building.

Since a number of the active members were absent a motion was adapted authorizing the president to select delegates to the Medina County Council at Shook at a later date.

February 27 is designated by the P. T. A. as Parents Day and so the president asked all parents to visit the school on that day. She also informed the club that it is her desire to hold the March meeting at night. A motion was passed to that effect.

A SURPRISE SHOWER.

Mrs. Frank Kimmerly was taken by surprise by a number of her friends on Tuesday afternoon. Mrs. Kimmerly was "showered" with many beautiful and useful gifts. At 4:00 o'clock a delicious lunch of cake, cookies, and hot coffee was served to Messdames Christina Rudinger, Fred Stieneman, Will Turner, Nick Fohn, Lena Langfeld, Hy. Langfeld, Martin Nestor, Chas. Rohrbach, Wm. Finger, Joe Rieber, Ernest Mueller, Chas. Hubbard, Joe Finger, J. Carroll, Elizabeth Ney, Hy. Franger, Ed. Keller, Aug. Brown, Riley Carle, Hy. Rothe, Eric Rothe, John Nester, Aug. Nester, Louis Ernest, Ferdie Koch, Louis Carle, Jr., Louis Carle, Sr., Joe Carle, O. W. Tondre, Regina Deckert, John Rieber, Ben Reitzer, Arnold Finger, P. M. Koch, Sr., James Turner, Alvina Koch, Ben Koch, Hy. Biry, Ed. Finger, Ed. Koch, Chas. Nehr, Louis Gartzler and Misses Evelyn Koch and Carrie Langfeld.

SCHOOL NEWS.

Wednesday afternoon of last week Sabinal returned the indoor base ball game. The boys' game tied the score of five and five in the seventh inning and D'Hanis broke the tie in the eighth inning by running another score.

The girls' score was eight to eleven in favor of D'Hanis.

Saturday our boys will go to the Fair grounds to play in a final Basket ball tournament.

Mrs. Ephraim: "Edward, you may spell the word, Neighbor."

Edward: "N-e-i-g-h-b-o-r."

Mrs. Ephraim: "That's right, now Maurice can you tell me what a neighbor is?"

Maurice: "Yes Ma'am. It's a woman that borrows things."

Irene: "Why is Corine disappointed."

Frances: "She wrote for a Congressional Record."

Irene:—"Well?"

Frances:—"She thought is was something she could play on a phonograph."

Miss Carrie said to her new maid: "I am a lady of few words." "If I beckon with my finger, that means come."

"Suits me, mum, replied the girl cheerfully: "I am a girl of few words too, if I shake my head, that means I ain't comin'."

Floyd when coming to school one morning saw Harold seated near the heater.

Floyd:—"When did you get here?" Harold:—"This morning."

HINAKA CLUB.

The Hinaka Club and several additional guests enjoyed an evening of auction bridge last Tuesday. Three tables of players were arranged and five games were played.

Miss Cornelia Koch received a prize for high score among the members.

Mrs. Ben Koch received the guest prize, and Miss Tina Rothe was given the trophy for low score. Delicious salad, cake, wafers, and coffee were served. The following were club guests: Messdames Ben Koch, E. A. Rothe, A. J. Finger, Misses Tina and Ethel Rothe.

MOORE HIGH DOWNS BADGERS.

After trailing the Moore High School's team, Frio county champions, for three quarters the Badgers rallied and came within one point of tying the game played Tuesday night. The fourth quarter was filled with foul playing, good shooting, and other factors that make a real basketball game, the final score was 20 to 19.

An inability to sink their few free throws cost the Badgers the game as Moore made 6 gift shots to 3 by the locals.

The line-ups were:

Badgers FG FT TP PF Taylor, f 1 0 2 1

Schweers, f 1 1 3 0

Jones, c 5 1 11 2

Snooks, g 0 0 0 3

Mask, g 1 1 3 2

Rothe, g 0 0 0 3

Bailey, g 0 0 0 3

Total 8 3 19 13

Moore FG FT TP PF R. Cubriel, f 1 2 4 2

Dickerson, f 1 0 2 1

A. Cubriel, c 4 3 11 1

Bippert, g 1 1 3 2

Jones, g 0 0 0 0

Oliver, g 0 0 0 1

Total 7 6 20 7

RALLY WINS FOR BADGERS.

Rallying during the second half the Badgers defeated the Moore Town Team 21 to 19 in a second game Tuesday night. The Badgers trailed by four points during the entire first half, but as the game went into the latter sessions they started a drive for crisp shots that resulted in vic-

tory. Both games Tuesday night were close, thrilling and hard fought.

Homer Rothe was the outstanding player. He broke up numerous drives for the goal by the Moore team.

Couser was the Moore leader, playing good in both offense and defense.

The line-ups were:

Badgers FG FT TP PF Jones, f 3 0 6

Snooks, f 4 1 9

Ross, c 0 0 0

Rothe, g 0 0 0

Bailey, g 1 0 2

Schweers, f 0 0 0

Mask, c 2 0 4

Total 10 1 21

Moore FG FT TP PF Milan, f 2 1 5

Lester, f 1 0 2

Couser, c 4 2 10

Munica, g 0 0 0

Cude, g 1 0 2

Mine, f 0 0 0

Total 8 3 19

BADGERS LOSE AT KNIPPA.

Wednesday night the Badgers made their first trip of the year and played Knippa on the Knippa dirt court. These factors contributed to their 16 to 13 defeat. Because of the dirt court, the Badgers found fault while on a hardwood floor it would have been charging on the part of the ball carrier.

A neat shot by Jones gave the Badgers the lead early in the game, but after losing it was never able to overtake the home players again.

Kramer, of Knippa, led the scores with 9 points and was followed by Jones and Snooks with 7 and 6 points, respectively.

The line-ups were:

Badgers FG FT TP PF Jones, f 3 1 7

Taylor, f 0 0 0

Snooks, c 0 0 0

Rothe, g 2 2 6

Mask, c 0 0 0

Total 5 3 13

Knippa FG FT TP PF Kramer, f 4 1 9

Herring, f 0 0 0

Harp, c 1 0 2

O'Bryant, g 1 1 3

Nuim, g 1 0 2

Chossm, g 0 0 0

Total 7 2 16
